Document Done

This figure shows a screenshot of a web browser window titled 'New Contact Group Form - POLY'. The interface is designed for creating a new contact group. It features a text input field for 'Contact Group Name' containing 'Test Group'. Below it are three checkboxes labeled 'Display Phone Number', 'Display Fax Number', and 'Display E-Mail Address', all of which are checked. To the right of these checkboxes is a text box with the instruction 'Check if you want displayed'. At the bottom of the form are buttons for 'Add Contact', 'Submit', and 'Cancel'. The browser's standard menu bar (File, Edit, View, Go, Communicator, Help) is visible at the top.

The figure displays two screenshots of the BayerOnE software interface. On the left, a sidebar menu lists various options like Reports, Associations, Forms, URLs, Desktop, and Other. An arrow points from the 'URLs' option to the 'System URLs' section of the main window. The main window shows a 'System URLs' table with rows for America Online, American Chemistry Council, American Plastics Council, Bayer AG News, Bayer Chemical Technical, Bayer Corp. News, Coatings and Colorants Product Info, Hennecke Machinery, and Polyurethane Mfg. Assoc., each with its corresponding URL. On the right, a separate window titled 'URL Report' contains fields for Title, Text, Function Code, and Function Code Name, along with a 'Save Changes' button.
